

Dear guest,

Welcome to the Hotel & Restaurant Sonne! We look forward to welcoming you.

Our hotel is located right in the heart of Stupferich. We have 72 hotel rooms, a restaurant with beer garden and winter garden, 3 function rooms, a fitness room and an in-house butcher's shop.

History of the hotel

In the 1950s (1953), Emil and Maria Kunz took over the Gasthof "Zur Sonne" with adjoining butcher's shop and four guest rooms. They built up the business with great enthusiasm and passion.

In 1989, it was time to hand over the family business to the next generation. Son Hubert and his wife Angela took over the family-run hotel and continued the family tradition. There have been many renovations in recent years. Now they are working towards the next generation.

What makes US special:

We are the only hotel-restaurant with an in-house butcher's shop in the city of Karlsruhe.

We are particularly grateful and proud that we are now, as we were then, a family and have employees who put their hearts into making our guests feel really at home.

We wish you bon appétit!

Your Kunz family & the Hotel Sonne Team
